

In this ~~report~~changed, we will ~~explore~~changed the various factors that influence *fluid dynamics* in glaciers ~~ha~~ they contribute to the formation and behaviour of these natural structures.

~~All manuscripts are to be submitted electronically to the ScholarOne Abstracts site created for each conference. The manuscript upload will be enabled several weeks after acceptance notices have been sent. Presenting authors of accepted papers will receive an email with instructions when manuscript submission opens. It is important that presenting authors keep their email addresses up-to-date so they do not miss~~Something this new. notice.~~Monkey.~~
